### **Compliance Software, Service Companies Form Strategic Alliance**

*Providers team offerings for unclaimed property compliance*

(Birmingham, AL) – Chesapeake System Solutions, Inc.—a premier provider of financial software solutions—and Moyer & Osibodu—a comprehensive unclaimed property consulting firm—have entered into a strategic alliance that will provide a comprehensive solution for unclaimed property compliance.

The alliance combines Chesapeake’s Unclaimed Property Compliance System (UPCS®) software with Moyer & Osibodu’s unclaimed property consulting and compliance expertise. The result is a single platform for an end-to-end unclaimed property solution—consulting, compliance, software, and outsourcing solutions under one umbrella that will be available to clients across various industries.

Over the past 20 years, Chesapeake has developed a proven track record as a financial software solutions provider. With more than 75 years of combined staff experience in the unclaimed property arena, Chesapeake understands how best to track and document more than 100 types of unclaimed property in strict compliance with the regulations of all 54 U.S. reporting jurisdictions. Chesapeake’s UPCS software provides a powerful automated framework that simplifies the labor-intensive tasks of complying with diverse unclaimed property laws in the various states.

Meanwhile, Moyer & Osibodu has a demonstrated ability to provide companies with a first-class team to solve their unclaimed property problems. With more than 50 years of combined experience, Moyer & Osibodu provides clients with comprehensive unclaimed property service offerings, including audit assistance, voluntary disclosures, annual compliance and reporting (outsourcing), design and implementation of policies and procedures, accounting process improvement and change management, and in-house training.

For more information about Chesapeake’s UPCS unclaimed property solution, visit the company’s website (<http://bit.ly/unclprop>) or call 410-356-6805.
